DISPROPORTIONATE FEES BASED ON SPECIAL REGULATIONS/INSPECTIONS AND DISPROPORTIONATE FEES BASED ON DISPROPORTIONATE CALLS FOR SERVICE

The following business license fees are in addition to the general administration fees specified above, and are charged to recover the city's disproportionate cost of special regulations/inspections and 25% of the disproportionate cost of calls for service from police and fire departments that exceeds the basic level of such services provided in the city. Total business license fees are determined by adding the general administration fee, any applicable disproportionate fees, and any enhanced level of service fees applicable to a business; provided, however, that for the business classifications specified below, such total is restricted to 125% of the average total business license fees paid in 2006 by businesses of the same classification. The business classifications to which the 125% limit applies, and the dollar amount of the limit for each such business classification, is shown below.

* This 125% Limit applies to the total aggregate fee which includes all administration fees, regulatory and inspection fees and disproportionate (call for services) fees. For example, a grocery store would have a administrative fee of \$120 an inspection fee of \$265, and if they sell alcohol a regulatory fee of \$443, and if they sell fire works a regulatory fee of \$38 and a fee to cover 25% of disproportionate calls for service of \$1,615, all totaling \$2,480. The \$125 limit would apply and that limit would be \$2,417.
